Southern Area Hospice Services provides care free of charge to local people living with Cancer, Multiple Sclerosis, Motor Neurone Disease and other life limiting illnesses. It costs £3.1 million in order to maintain the current level of services we provide to our patients and their families.

The Hospice Lottery was established in 1999 to not only provide a regular form of income for Hospice Services, but to also give something back to our loyal supporters. The Hospice Lottery is vital as it helps fund the care and support we deliver to those who need it, at a time when they need it most. With the chance of winning weekly cash prizes UP TO £5,000, and in the knowledge that you're raising funds for your local Hospice, it really is Win Win.
