

# VISITING REQUIREMENTS

In line with the latest Government advice, in order to prevent the spread of infection, in addition to the existing hygiene measures -

Visitors will not be permitted to visit without a proper face covering and agreement to wear the requested PPE.

Visitors must also be 'bare below the elbow'.

This means: no watch or jewellery should be worn apart from a wedding band; short sleeves or sleeves rolled up to the elbow.

## Visiting the Hospice

# Visit between 14.00 to 16.00 only

# Visit for a max of 1 hour.

## Virtual Visiting with Facebook Portals

This allows patients in hospice to have video conversations from their room with family and friends, at any time using WhatsApp, making sure the risk of exposure to coronavirus is kept to a minimum. PLEASE ASK A MEMBER OF STAFF FOR MORE DETAILS.

If you have an underlying medical condition or are over 70, please consider if your visit is necessary.
